A

Abscess of the tongue, 597
Accidental gunshot wounds, 159
Accident prevention, Home, 214
Accidents, farm, Children and, 529
Accidents of children, 392
ACTH and cortisone in agranulocytosis, 454
Activities of the Sears, Roebuck Foundation, 532
Acute cholecystitis and choledocholithiasis, 675
Acute infectious hepatitis: laboratory aids in management, 37
Acute recurrent pancreatitis, 789
Adenocarcinoma of the appendix, Primary, associated with a "Krukenberg tumor," 536
Agranulocytosis, ACTH and cortisone in, 454
Agranulocytosis and jaundice, Chlorpromazine therapy complicated by 740
Alimentary tract, Obstruction of the, in the neonatal period, 265
Amebiasis, 69
Anderson, David P.: Medicine in southern Minnesota, 165
Anderson, Ray C.: Genetic and familial aspects of central nervous conditions in children, 112
Anesthesia for emergency surgery, 803
Anesthesia, topical urethral, Xylocaine jelly for, 517
Aneurysm, Renal artery, causing malignant hypertension, 671
Anticoagulant therapy, prolonged, The value of, 39
Appendix, Primary adenocarcinoma of the, associated with a "Krukenberg tumor," 536
Arterial embolism, Peripheral, 475
Arteriography as an aid to diagnosis, 378
Arteriosclerosis obliterans, Present concept of the treatment of, 203
Arteriosclerosis of the major vessels, The role of surgery in the treatment of, 703
Arteriovenous communications, Congenital peripheral, 389
Artery homografts, Reconstruction of major blood vessels employing, 638
Asthma, Study of 200 consecutive patients hospitalized for, 20
Atmore, William G., Dahlin, David C., and Ghormley, Ralph K.: Pigmented villonodular synovitis, 196
Atrioventricular block, Treatment of, 787
Aust, J. Bradley, and Varco, Richard L.: Biliary stricture, 189
Automotive crash injury research program, Minnesota, 457

American Medical Association

Proceedings of the House of Delegates, June 11-15, 1956, 559

Cancer Detection

Minnesota doctors are beginning to detect occult cancer, 746

Clinical Notes

Care of the terminal cancer patient, 615
Xylocaine jelly for topical urethral anesthesia, 417

Clinical-Pathological Conference

Case presentation (Pseudomembranous ulcerative enteritis), 230

Committee Action

Tuberculosis, 688

Continuation Studies

Acute cholecystitis and choledocholithasis, 675
Anesthesia for emergency surgery, 803
Diagnostic usefulness of peritoneoscopy, The, 413
Dysphagia, 479
Fractures of the metacarpals, metatarsals and phalanges, 301
Genesis of intestinal atresia, The, 745
Glaucoma and the family doctor, 611
Growth hormone, 223
Infectious and postinfectious encephalitis, 169
Psychiatric aspects of the handicapped child, 541

Current Concepts

Diagnosis and treatment of thromboangiitis obliterans (Buerger's disease), 303
Functional heart disease, 545
Functional heart pain, 677
Functional manifestations in organic cardiovascular disease, 744
Hypotensive drugs, 173
Lymphedema, 415
Peripheral arterial embolism, 475
Physical signs of functional heart disease, 617
Present status of the treatment of varicose veins, The, 228
Smoking and the cardiovascular system, 111
Value of prolonged anticoagulant therapy, The, 39

D

Dahl-Iversen, E: Function of the endocrine organs during the postoperative period, 365
Dahlin, David C., Ghormley, Ralph K., and Atmore, William G.: Pigmented villonodular synovitis, 196
Davidson, Robert C., and Coe, John I.: Renal artery aneurysm causing malignant hypertension, 671
Deafness, Industrial, 655
Dehydration, Electrolyte disturbances in, 290
Depressions, certain involutional, Harmful effects of interpretive psychotherapy in, 451
Dermabrasion, Treatment of cutaneous scars by, 524
Dermatology, The use of liquid oxygen in, 151
Diabetes mellitus, The eye in, 781
Diagnosis and treatment of thromboangiitis obliterans (Buerger's disease), 303
Diagnosis, Arteriography as an aid to, 378
Diagnostic standards and classification of tuberculosis, 307
Diagnostic usefulness of peritoneoscopy, The, 413

Diphragmatic hernia, Traumatic, with strangulation and gangrene of the stomach, 795
Diet, Comparative effectiveness of a weighed reduction diet and an approximate-measure, 667
Differential diagnosis of acute poliomyelitis, 359
Differential diagnosis of lymphocytosis and leukemia, 226
Diverticulitis of the sigmoid colon, sigmoido-perineal fistula from, 513
